# Welcome to the 61<sup>st</sup> Annual Antique and Classic Car Meet

The Vermont Automobile Enthusiasts (VAE) would like to welcome you to the 61<sup>st</sup> annual Vermont Antique and Classic Car Meet. We have a fantastic event planned for you to enjoy this year in Waterbury Vermont. Last year we promised a bigger and better event with the transition to our new location, and I believe we have delivered on that promise. Many changes will be apparent, like a larger flatter field and expanded flea market area. Hunt for that hidden treasure and support our vendors. The field layout benefits a greater variety of display vehicles, exhibits, vendors and spectator parking. We have also increased the size of the craft tent to include handmade Vermont products. The VAE has partnered with the Waterbury Revitalization Committee in an effort to continue the parade and street dance, both familiar events for yearly participants. We hope the location will prove easier for interstate travel and access to local attractions. So bring the family to enjoy some of the finest automobile history in the region.

This show is one of Vermont's greatest multiday events since 1953. We are happy that you could share it with us, your continued support allows us to provide scholarship opportunities and award programs for high school students. To learn more about the Vermont Automobile Enthusiasts please visit our website, [www.vtauto.org](http://www.vtauto.org) for other event information. If you love old cars, trucks, motorcycles or anything with an engine, you will have fun being involved with the VAE.

As always please thank our many volunteers who work hard to bring this event to you.

Dave Stone, VAE President.

## Bienvenue au 61<sup>ème</sup> rencontre annuel de voitures classique des amateurs automobiles.

Les enthousiastes automobiles de Vermont (VAE) aimerions vous souhaiter la bienvenue au 61<sup>ème</sup> exposition annuel de voitures classiques des amateurs automobiles de Vermont.

Cet année, nous avons planifier un événement fantastique pour vous à Waterbury Vermont cet année! L'an passé, on vous a promis un plus gros et une meilleur événement dès la transition dans notre nouvel endroit. Je crois que nous avons tenu cette promesse. De nombreux changements seront apparents, comme un plus grand champ ainsi qu'une région de marché aux puces élargi. Chercher le trésor caché et supporter nos marchands. Le champ a comme benefit une plus grande variété de véhicules d'exposition, exhibits, marchands ainsi que beaucoup plus de places de stationnement pour les spectateurs.

Nous avons également augmenté la grandeur de la tente d'artisanat afin de pouvoir inclure des produits faits à la main du Vermont. Le VAE sommes associés avec le comité de Revitalzaiont de Waterbury dans le but de continuer le défilé ainsi que la danse dans la rue, deux événements familiers pour les participants annuels.

Nous espérons que l'emplacement sera plus facile pour les voyages inter-États et l'accès aux attirances locales.

Alors amenez la famille afin qu'ils puissent profiter de l'une des plus belles histoires automobiles de la région. Ce spectacle est l'un des plus grands événements de plusieurs jours du Vermont depuis 1953. Nous sommes heureux que vous puissiez le partager avec nous.

Votre appui continu nous permet d'offrir des bourses d'études et des programmes de récompenses pour les élèves du secondaire.

Pour en savoir plus sur les enthousiastes d'automobiles de Vermont, veuillez s'il vous plaît visitez notre site Web [www.vtauto.org](http://www.vtauto.org) afin que vous puissiez obtenir plus amples informations sur d'autres événements.

Si vous aimez les vieilles voitures, vieux camions, vieilles motos ou tout ce qui a un moteur; vous allez vous amuser avec la VAE.

Comme d'habitude, n'oubliez pas de remercier nos nombreux bénévoles qui travaillent très fort pour vous afin que vous puissiez apprécier cet événement fantastique!
