Welcome to the 62nd Annual Antique and Classic Car Meet

On behalf of the Vermont Automobile Enthusiasts (VAE), I welcome you to our 62nd Annual Vermont Antique and Classic Car Meet! Our show committee and our volunteers have worked very hard, along with help from some Waterbury community members, to put together a car show that I am sure you will enjoy. This is our second year at our new location – Farr's Field in Waterbury, Vermont. I know that you will appreciate our new field as it is bigger, drier, and flatter than our previous location. The increased size of the field has allowed us to increase the size of the auto flea market and the number and variety of our display vehicles, exhibits, and vendors. There is improved spectator parking. Multiple food vendors are on site. We are also very conveniently located close to Exit 12 of Interstate 89.

We have a full weekend of activities planned for you. Once again, the Waterbury Recreation Committee has worked with us to plan our parade route from the show field to the reviewing stand in Waterbury village. The street dance will once again take place at the beautifully restored historic 1875 Waterbury train station on the Waterbury village green. Our crafter's tent includes Vermont made products. The Car Corral always has an appealing array of vehicles for sale. Saturday morning we will continue our traditional Fashion Show. Show registrants participate dressed in clothing of the same era as their vehicles and share information about their vehicles and the time in which they were used. For the younger kids there will be Hot Wheels racing and our Junior Judges program which is sponsored by Haggerty Insurance. Once again there will be a Valve Cover racing event. Come see all that we offer!

The Vermont Antique and Classic Car Show has been one of Vermont's premier summer attractions for 61 years. Your support of our show helps to fund our annual scholarships to the automotive program at Vermont Technical College and our Golden Wrench Award program which annually awards one high school student in each of our 16 Vermont Technical and Career Centers automotive technology programs. We appreciate you and our many valued volunteers who support the VAE and make these awards possible.

Bienvenue

Au nom des enthousiastes automobiles de Vermont (VAE), je vous souhaite la bienvenue à la 62^{ème} rencontre annuelle des voitures classique du Vermont.

Notre comité d'exposition et nos bénévoles ont travaillé très fort, avec l'aide des membres de la communauté de Waterbury afin d'organiser un salon automobile qui, j'en suis convaincu, vous plaira.

C'est notre deuxième année à notre nouveau site – Farr's Field à Waterbury Vermont. Je sais que vous apprécierez notre nouveau terrain, car il est plus grand, plus sec et plus plat que notre emplacement précédent.

L'augmentation de la grandeur du terrain nous a permis d'augmenter la grandeur du marché aux puces automobile ainsi que le nombre et la variété de nos véhicules en présentation, nos expositions et nos fournisseurs.

Le stationnement des spectateurs est amélioré. Plusieurs présentoirs de nourriture sont sur place. Nous sommes également très bien situés, près de la sortie 12 de l'autoroute 89. Nous avons une fin de semaine remplie d'activités prévu pour vous.

Une fois de plus, la comité des loisirs de Waterbury à travaillé avec nous afin de planifier le parcours de notre défilé qui se terminera dans le village de Waterbury. La danse dans la rue aura à nouveau lieu à la gare historique de 1875 Waterbury, magnifiquement restaurée, dans le village verdoyant de Waterbury.

Notre tente artisanale comprend des produits fabriqués au Vermont. La voiture Corral a toujours une gamme attrayante de véhicules à vendre. Samedi matin, nous poursuivrons notre défilé de mode traditionnel. Les participants seront habillés dans des vêtements de la même époque que leurs véhicules et partageront des informations sur leurs véhicules et sur la période de leur utilisation.

Pour les plus jeunes, il y aura des courses "Hot Wheels" et notre programme "Junior Judges", commandité par Assurance Haggerty. Une fois encore, il y aura un événement de course de couvre-souppes

Venez voir tout ce que nous offrons!

Le Salon des voitures classique du Vermont est l'une des événements estival très reconnu au Vermont depuis 61 ans.

Votre participation à notre salon nous aide à financer nos bourses annuelles au programmes automobiles du College Technique de Vermont ainsi qu' à notre programme "Golden Wrench Award", qui à chaque année, récompense un élève du secondaire dans chacun de nos 16 programmes de technologies automobile du Centre Technique ainsi que les Centres Carrières de Vermont.

Nous vous remercions, ainsi que nos nombreux bénévoles, qui encourage la VAE car ceci rendent ces récompenses possibles.

Pour en savoir plus sur la VAE et sur nos événements à venir ou pour devenir membre, veuillez visiter notre site Web, www.vtauto.org

Au plaisir de vous voir au spectacle!

Jan Sander, VAE President
